

PRESS RELEASE

BioInvent International AB brings forward publication of Year-end report 2020

Lund, Sweden – February 23, 2021 – BioInvent International AB ("BioInvent") (Nasdaq Stockholm: BINV) today announces that the company changes the date for publication of the year-end report 2020, and the interim report for the fourth quarter 2020, to Tuesday February 23, 2021. Earlier communicated publication date was February 25, 2021.

About BioInvent

BioInvent International AB (OMXS: BINV) is a clinical stage company that discovers and develops novel and first-in-class immuno-modulatory antibodies for cancer therapies, with four programs in clinical development. The Company's validated, proprietary F.I.R.S.T™ technology platform simultaneously identifies both targets and the antibodies that bind to them, generating many promising new drug candidates to fuel the Company's own clinical development pipeline or for additional licensing and partnering.

The Company generates revenues from research collaborations and license agreements with multiple top-tier pharmaceutical companies, as well as from producing antibodies for third parties in the Company's fully integrated manufacturing unit. More information is available at www.bioinvent.com.
